

# 10 Ways to build relationships with children

1. Talk about non-school related subjects

6. Share your own disasters

2. Be interested in their interests!

7. Share your inspirational stories

3. Remember things about their lives

8. Be a little bit crazy

4. Share tales about your own life

9. Link to their interests in your lessons

5. Play with them, let them lead... be curious

10. Apologize when you mess up
